

Junior Program featuring Quickstart

Quickstart Tennis is an exciting new play format for learning tennis. It is designed to bring kids into the game by utilizing specialized equipment, shorter court dimensions and modified scoring, all tailored to age and size.

Green Ball Ages 10 & Older

Courts

The courts are 78'x27' and 78'x 36' for doubles.

Ball

Kids need a ball that is sized and paced to their playing abilities. A regulation tennis ball moves too fast, bounces too high and is too heavy for the smaller racquet. Each age group, therefore, uses a ball better suited to their size and unique playing ability. Green Balls are the final transition from red and orange balls. The green ball has 75% compression.
